THE WINE LIST AT ASHFORD CASTLE

Since 1228, Ashford Castle has welcomed some of the most discerning guests through its prestigious doors. The underground coal cellars at Ashford Castle date back to the 17th century, which in 2015 was transformed into a world class, state of the art wine cellar. Today, we have an incomparable cellar of over 5,500 bottles, which is temperature and humidity controlled perfectly. This is where we also offer unique private wine tastings with one of our sommeliers through appointment each afternoon.

One of the most exciting additions to our list in recent years is the inclusion of the wines from our winery, Bouchard Finlayson, set up in 1989. Collaboration has always been a part of this wine estate, which is today owned by the Tollman family of The Red Carnation Hotel Collection and collaboratively run by Victoria Tollman and Peter Finlayson.

Peter Finlayson is highly credited with being the pioneer of Pinot Noir in South Africa and placing the Walker Bay area on the country's wine map, setting up and operating the first modern day winery in the glorious Hemel-en-Aarde Valley. Under the savvy leadership of Victoria Tollman and Peter Finlayson, Bouchard Finlayson's flagship 'Galpin Peak' Pinot Noir and the iconic 'Tête de Cuvée Galpin Peak' Pinot Noir have become recognised on a global scale, being the recipient of many international accolades for their wines through the years. Our menu offer us the opportunity to showcase the fabulous wines of Bouchard Finlayson by the glass with each of Chef Farineau's innovative food creations. We are also very fortunate to have access to Mr. Tollman's private cellars in London and look forward to developing our cellars here at Ashford Castle as part of The Red Carnation Hotel collection.

The 'Wine Geese' are also passionately represented throughout our wine portfolio. These wines are produced in the many wine regions of the world by families of Irish ancestry. From Old World classics such as Chateau Léoville Barton and Lynch-Bages in Bordeaux to New World champions such as Chateau Montelena at the top of the Napa Valley, there is an array of world class wines that have an Irish flair behind them. The dedicated sommelier team at Ashford Castle will be more than pleased to guide you through our wine list or arrange a complimentary private tour of our state of the art wine cellar to assist you in choosing wine for your evening dinner.

IRELAND'S WINE GEESE

Ireland's Wine Geese is derived from the flight of the Wild Geese when 14,000 Catholic Jacobite soldiers fled Ireland for France for political and economic reasons after their defeat at the 1690 Battle of the Boyne and the Treaty of Limerick in 1691.

The Wine Geese & the Wines of Ireland

They had supported England's Catholic King James against the victorious Protestant Dutch Prince William of Orange who vied for the monarchy in England. Following punitive banishments and land confiscations, two more waves of emigrants left Ireland's shores for Bordeaux and Nantes in France in 1715 and 1745.

Some traveled on French ships smuggling wine into the west coast of Ireland and listed on the ships' manifests as "Wild Geese."

Many soldiers and their immediate descendants flourished as merchants, traders and later owning properties, estates, and vineyards around the city's port of Bordeaux.

Fourteen Chateaux' vineyards in Bordeaux bear an Irish name including Phelan-Segur, Boyd-Cantenac, Leoville-Barton, Langoa-Barton, Kirwan, MacCarthy-Moula, Lynch-Bages, Pontac-Lynch, Lynch-Moussas, Dillon and Clarke. Today, the Irish influence on vineyards is vast throughout the Old & New World.
